

FUTURE LEADERS ACTIVITY ASSISTANCE

The Rotary Club of Karrinyup has a small amount of funds set aside for financial assistance for young people in families with need to attend Girl Guides, Scouts or similar pursuits (not sports, as the Kidsport program covers that).

The scholarship will cover the annual fees to be a member and participate in a youth development activity (to a maximum of \$150)

Who is eligible: Western Australia resident children aged 5 to 18 years participating, or wishing to participate in approved activities and whose parents/guardian have a Health Care/Pension Concession Card – or members of Ukrainian refugee families who are in Australia on a Temporary (Humanitarian Concern) (subclass 786) visa.
