

Backpacks for the Homeless

Winter will soon be upon us again and, with this in mind, Karrinyup Rotary Club is once again providing backpacks for Perth's homeless community. This year we will be sending out fifty backpacks to the community with the help of The Perth Homeless Support Group. The backpacks contain items, which will provide some comfort and warmth on the cold winter evenings.

If you would like to donate any items for this cause, they can be left at the administration stall at the Stirling Farmers Market. A community stall will be held at the market on Sunday 7 April however, items can be left at the administration stall on any Sunday up until **5 May**. The bags will be distributed during the second week in May.

The contents of the bags are as follows:
