Want to Know More About Native Plants?

Join the Wildflower Society of WA

Office: Perry House, 167 Perry Lakes Drive
Floreat. Tel: 9383 7979

If you would like to know more about West Australian native plants and about how to grow them in your garden, you can join the Wildflower Society of WA.

There are six branches in the Perth region and each has a monthly meeting with a guest speaker, as well as excursions to look at and learn about native plants.

Members also receive an informative quarterly newsletter.

Further information on the Wildflower Society of WA can be found at:
